

'Rabbitats' are micro-sanctuaries designed to humanely, safely, and sustainably house a large number of homeless, abandoned, and feral rabbits.

Rabbitats is a volunteer-run charity that survives off the donations. Every cent we receive goes towards rescuing feral and abandoned rabbits: paying for veterinary care, finding good homes, and building sanctuaries.

Rabbitats is a registered charity,
#715079695 RR 0001

MEDIA KIT
